SECTION 1: ABOUT THE PRODUCT AND ITS FAIR VALUE

1.1 Overview of the Product:

- This is a commercial combined package product within the Marine Sector for marine ports and terminals.
- The product includes cover for third party liability, property and business interruption.
- The product is offered as market standard - no IGI-branded policy wordings are produced, all policy wordings originate from the customers’ historical wording or the broker.

Standard Policy Duration:	12 months.
----------------------------------	------------

Product Approval Process and Oversight:	IGI UK's Ports and Terminals product has been assessed using various metrics including underwriting, claims, actuarial, compliance and broker distribution information. IGI UK will review this product, including its Fair Value, at least annually.
--	---

Statement of Fair Value:	<p>This product has been subject to IGI UK’s product oversight process and has been reviewed and signed off as representing fair value to customers. This is in light of a review of the following MI:</p> <ul style="list-style-type: none"> • Cancellation data • Claims and complaints volumes • Declinature rates • Loss ratios • Ex gratia payments • Wordings review (technical and Plain English) • Regulatory breaches • Root cause analysis • Distribution chain and remuneration throughout <p>In carrying out this assessment, we take into consideration the standard remuneration that we have paid to distributors together with information provided to us by distributors across distribution chain. Our expectation is that additional commission, fees or charges added as part of the distribution processes must be reasonable and not affect the overall value offered by the product. Distributors should consider the impact on product value of offering other products, including premium finance, alongside this one, especially those with proportionally greater remuneration.</p> <p>IGI UK are to be made aware of all additional fees and any add-on products that are not included within the original slip and will then make an assessment regarding the fair value of the product.</p>
---------------------------------	--

SECTION 2: ABOUT THE TARGET MARKET AND DISTRIBUTION

2.1 Choice and Oversight of Distribution

- This product is suitable for distribution via brokers with suitable knowledge of the Marine market on an advised basis, for whom IGI UK have conducted a KYC process and subsequently approved.
- All business, both new and renewal, is brought to IGI UK via brokers. Brokers tend to be established marine practitioners, usually having longstanding relationships with IGI UK and the Marine market generally.
- The distribution strategy does not inadvertently exclude certain consumer groups within the intended target market from purchasing a product, particularly those that are considered vulnerable.
- Product should be sold in line with FCA regulations.

2.2 Target market and suitability

Target Market:	<ul style="list-style-type: none"> ● This product is suitable for distribution via brokers with suitable knowledge of the Ports and Terminals market. ● A range of customers ranging from micro entities, through SMEs to large risk entities, with a vested interest in liability arising from operating ports and terminals.
Type of Customer for whom the product would be unsuitable:	<ul style="list-style-type: none"> ● Any customers operating outside of the marine world. ● Non-Marine Terminals ● Marine-Leisure oriented entities
